OUR INVESTMENT STRATEGY

The Fund strategy is to exploit the current climate of the cryptocurrecy market, in particular through the use of different trading strategies.

The Fund Manager`s proposed focus will be on crypto-currency trading, and the intention is to seek out investments wherever and in whatever asset class the Fund Manager considers where the best opportunities lie. The Fund Manager will retain the ability to enter into a variety of investment structures, including cryptocurrency mining, AI trading, and NFTs.

The Fund Manager will be able to agree on practical changes to the Investment

strategy if these are considered to be beneficial for the Fund and the Investor.

ASSETS WE TRADE

TRADE WITH US

We trade a wide range of assets, including cryptocurrencies such as MAGA Coin, DOGE, XRP, and XLM, alongside other digital tokens and traditional commodities like gold and oil. This diverse portfolio allows us to offer high-potential investment opportunities tailored to evolving market trends.

FUTURES

Our Futures portfolio is rich, well calculated, and properly hedged, such that if there erupts an unfavorable condition, we can cut losses and still break even in the trade. The goal is a net win.

OPTIONS

Through investing in Options, we have taken full advantage of the sector of the market that is wholly technical, and not fundamental. Since they are synthetic, we can use AI to determine future results pro tably.

CRYPTOCURRENCIES

We trade and invest in Cryptocurrencies on behalf of our investors. We select the top performing cryptos and determine their future values, so that we're able to minimize risks and maximize pro ts.
